### From the AYHD Board

#### Reminder: AYHD Flash Session at ESHD (10-13 September 2025)

If you are planning to submit a paper proposal to the 2025 European Society of Historical Demography (ESHG) conference, we kindly remind you of our flash session! In addition to any regular session your paper will be part of, we invite you to give a brief (5 min) talk in our flash session, bringing together young historical demographers whose presentations might otherwise be scattered across the conference programme. Submit through the [ESHG submission form](#) and write “Flash session (AYHD)” in the session proposal field. Make sure to submit it to the flash session *in addition* to a regular session.

### Spotlight Article

Every newsletter we will spotlight one article or working paper by a young historical demographer or researcher in an adjacent field. Would you like to have your work shared or do you know a recent paper that deserves to be spotlighted? Send an email to Joris ([joris.kok@iisg.nl](mailto:joris.kok@iisg.nl)) with information on the research you would like to see shared.

This newsletter’s spotlight article is:

#### **The Record Linking Glass Ceiling. Applying Automated Methods to the Census and Women’s Marriage Records, 1881–1911**

Published in *Historical Life Course Studies* by our very own Emma Diduch (University of Cambridge)!
